Rentafont EULA [posted December 2016]
For most current offerings and to assure antiquate information, visit their website.
Rentafont has been authorized to rent SWMCA fonts and the following EULA has been approved by this company.
==========

Terms and licenses
Website terms of use

The Rentafont website is managed, maintained, and owned by Rentafont, Inc. All the content presented on their website, including the system of content organization and presentation, is the property of Rentafont, Inc. and is protected by laws and regulations on intellectual property.
Each user can have only one account registered with the permanent (not temporary) e-mail. Rentafont doesn't recommend to use multiple accounts and cannot guarantee the functioning and safety of such accounts.
Rentafont reserves the right to unilaterally change the terms of User Agreements and recommends users check the information section of this website and the emails from Rentafont support support@rentafont.com.
Access to website content and functionalities shall be granted to users provided they accept and agree to the Rentafont.com Website Terms of Use and User Agreements for desktop and web font rental service.

Confidentiality

Rentafont respects confidentiality of private and personal information of its users and shall never use such information for spamming and other illegal activities. Private information shall never be passed over to third parties and shall only be used for the authors and users to receive the most relevant information for them about the operation of the Rentafont.com website, the website content, and services offered.

Font rental rights

Make design: documents, graphics, videos, presentations etc.
Convert font characters into bitmap or vector images.
Use those images in bitmap and vector pictures, stock illustrations.
Demonstrate in portfolio, presentations, educational and contest works.
For more detail, please refer to the Rentafont User Agreement.
Designers, take note! Working with an agency, design studio or on your own, rent of desktop fonts is sufficient for a designer to be able to work on orders and place works in portfolio. For your clients to use the design as legally as you have made it, when approving the layout, remind them that they will need to obtain the license rights for the fonts contained in the layout being handed over, e.g., for trademark registration or product printing.
Improve legal literacy of your clients and earn bonuses for all desktop fonts they buy, as well as for the web font they rent!
On prices, see the section Pricing: Desktop Font Rental Cost [at the Rentafont website].
On how the font rental works, read the section How It Works: Font Agent Application.[at the Rentafont website]

Right to web fonts

The rent of web fonts from Rentafont fully replaces purchase of Web licenses for fontsand grants universal rights, irrespective of the fonts chosen.
Use Rentafont web fonts on your website. You have the right to use web fonts from the Rentafont collection for design of website using the @font-face + CSS mechanism for a certain number of previews, with no time limits.
Change the list of fonts in the order at any time. You have the right to add or replace fonts, add the number of

previews, and change the website address at any time.
Create any number of orders for web fonts. You have the right to create an unlimited number of orders for web fonts.
Improve the performance of web fonts on your website using subsets. If your website does not use all the font characters (e.g., one language only, or capitals only), you can remove any extra characters from the web font file, so as to speed up the loading time for your pages.
For more detail, please refer to the Rentafont User Agreement.
On prices, see the section Pricing: Web Font Rental Cost
. On how the web fonts work, read the section How It Works: Using Web Fonts.
Font licenses
Having used fonts on rent, you or your client might need some of them as a personal licensed copy.
A font license can be a standard or extended one. It allows to not only work with fonts, but also use them in trademarks, making products (book, magazine, packaging, film, TV show, mobile application etc.).

A standard desktop license covers the following:

Font installation on one to five computers for unlimited time.
Building in the font into documents in the print&preview format.
Using bitmap representation of font characters on websites.
Production of any number of printed matter copies.

A standard Web license includes the following:

Use the purchased web fonts on your website with a certain restriction on monthly website traffic.
Hosting of the web font you purchased on your server. You yourself will store and send the purchased web font to visitors of your website.
These are the general features of the most common font licenses. Licensing conditions may differ between different suppliers.

Possible license extensions:

The right to install fonts on a greater number of computers.
The right to use fonts in partner companies.
The right to temporarily transfer fonts to prepress bureau of another company.
The right to build in the font characters at the Editable level.
The right to modify fonts.
The right to use vector font characters in logos.
The right to present font characters in video, on-air and network broadcasting.
The right to build in font characters in documents for commercial dissemination: ebooks, magazines, templates of commercial publications.
The right to use fonts in interactive applications and games.
The right to use fonts in mobile applications (iOS, Android, etc. platforms).
The right to "legalize" illegally used fonts.
The right to design websites using web fonts with the help of Web technologies other than @font-face, e.g., sIFR, Cufon or Typeface.js, as well as on Flash website.

==========

RENTAFONT COMPANY FONT AGENT CLIENT/SERVER APPLICATION USER AGREEMENT UNDER 'BASIC' PRICE PLAN (for desktop fonts)
Before proceeding to install the software product, please read this User Agreement. This software product is protected by provisions of the intellectual property legislation , provisions of the international treaties binding for end user country, and by provisions of this User Agreement, being strictly binding for its signatories who

thus agreed to be bound by its conditions. Any breach of conditions of this User Agreement shall result in the consequences envisaged by the current international law and the law of this application supplier's country. If you disagree with the terms and conditions of this Agreement, remove all copies of the Font Agent software from all your computers. Rentafont Inc. has the exclusive rights to this software and documentation. Rentafont Inc. (hereinafter referred to as "Rentafont") holds the rights for distribution of this product and granting the End User License (User Agreement) on its own behalf.

USER AGREEMENT

This document is a legal contract between you, the End User, on the one hand, and the Rentafont Company, on the other hand. By downloading and installing the Font Agent application on your computer you agree to abide by the conditions of this Agreement.

1. TERMS AND DEFINITIONS

1.1. "Rentafont" is a company granting use of the Font Agent client/server application to the End User.

1.2. "You" ("End User") means a person using the Font Agent client/server application.

1.3. «Font Agent» is a client/server application providing access to Fonts and allowing to use them on End User's computer during a certain period (font rental) by means of protected transmission of Fonts from the Rentafont service to user's computer, and their protected storage on user's computer during a certain period. It comprises a server application for storage and transmission of Fonts, and a client application Font Agent, which is provided as a free download from the rentafont.com website.

1.4. "Font Software" ("Font") means a font in any format, digitally delivered, containing one set of characters of specific style, e.g., "Times New Roman Bold."

1.5. "Credits" means digital currency found at User's account on rentafont.com website. The exact value of 1 Credit is specified on the rentafont.com website (from $0.024 to $0.04) and depends on the number of Credits bought at once. The User can buy Credits or receive them as a gift, e.g., for registration at the rentafont.com website or for subscribing to Rentafont newsletter. The Credits can be used to pay for Rentafont services. The Credits may not be returned, sold or transferred to any person under any circumstances. User's Credits shall be valid for three years. Upon expiry of this period, all unused Credits will be cancelled.

2. RIGHTS AND RESPONSIBILITIES

2.1 Using the Font Agent Application

The End User shall have the right to use Font Agent for obtaining access to Fonts on not more than one computer at any one time by installing the Font Agent client application on the computer, getting authorized at the Rentafont service using the login and password of your account set up according to rentafont.com website Terms of Use, and receiving the Fonts you selected via Font Agent client application interface and/or rentafont.com website. It is not allowed to access Fonts on the Rentafont server using any applications other than Font Agent or copy the Fonts rented with the help of Font Agent.

2.2 Font Using Procedure

Use of Fonts on End User's computer under "Basic" price plan shall be based on 100% prepayment. The list of services and fees under this price plan can be found at https://rentafont.com/tariffs. Fonts shall be transferred to the End User for a period of time specified in the Font Agent application interface, in line with the price plan conditions, where there is connection with the Rentafont server, in exchange for Credits. At any one time, the End User may rent the number of Fonts not higher than the number specified in the price plan.

2.3. Rights and Interests of Third Parties

The End User promises not to use the Font Agent for creating any products, which violate the current legislation of the United States, End User's country, and the rights and lawful interests of third parties.

2.4. Modification

The End User shall have no right to modify the Font Agent or leased Fonts. The End User shall have no right to create fonts using any parts of the leased Font. The Rentafont Company reserves the right to block access to services or part of services for the End User who has breached the terms of the Agreement.

3. USING THE FONTS

3.1. You have the right to use the Fonts during the rental period as follows:

a) Create any works using the Fonts: documents, graphics, videos, presentations etc., without transferring such works to third persons, except their placement on image banks, provided the restrictions of Clause 3.2b are complied with.

b) Convert Font's characters into bitmap or vector images for further use.

3.2. You have the right to use any letters, words, and texts typed using the rented Fonts even after expiry of the rental period as vector or bitmap images, in the specified manner only.
a) Web publications of static bitmap images, animations or videos for personal, educational (for the performance of class assignments), and other noncommercial purposes, as well as in your personal portfolio or in portfolio of an organization engaged in design, website development, animation, advertising, branding or book publishing, for the purpose of self-promotion, provided you have full or partial copyright in such works.
b) Use as an element of a bitmap or vector stock illustration you have created, provided such illustration has elements other than font characters. Words of any languages with a sample function are allowable, e.g.: Lorem Ipsum, Option 01, Your Logo, Company Name, Sample Text, EPS, Vector Illustration, Текст Примера, Образец, Логотип Компании etc.
c) Use in static advertisement banners with a maximum size of 800 pixels along the greater side, as well as in gif animations.
d) Printing on laser or jet printers in any format of not more than 100 copies.

4. LIMITATION OF RIGHTS
4.1. You have no right to publish any files using fonts in an editable format (e.g., PFD) with embedded rented Fonts.
4.1. You have no right to use as element of a stock image any Font characters identical in size, made up into sets of letters, numbers or other characters, which do not represent words of any language.
4.3. You have no right to use as element of a stock illustration any words with specific advertisement uses, e.g., Milk, Chocolate, Happy New Year!
4.4. You may not transfer rights to a work, which uses any characters of the rented Fonts, to third persons, either for a fee or free of charge (except the cases described in Clause 3.2.b), or copy the work in any manner (except the cases described in Clause 3.2.d).
4.5. To obtain the rights for transfer or copying of works, you or your counterpart should purchase desktop licenses for each Font used in the work, or use the service of Web fonts rental: https://rentafont.com/tariffs?license=web_license.

5. INFORMATION GATHERING AND ANALYSIS
The End User understands and accepts that the Rentafont Company shall monitor its activities of using the Font Agent and might collect and analyze the statistics of your actions performed when using the Font Agent, and use such statistics according to Rentafont's Confidentiality Policy.

6. VALIDITY
This Agreement is not limited by either territory or validity period. Recognizing some part/paragraph of the Agreement invalid shall not lead to recognizing the Agreement invalid as a whole. Any breach of even one of Agreement clauses shall result in the responsibility envisaged by USA law, law of End User's country, and international law. In case of any breach of the terms and conditions hereof, you must destroy copies of the Font Agent application and the Fonts you have available, obtained with the help of this client/server application.

7. LIMITATION OF LIABILITY
THIS CLIENT/SERVER APPLICATION IS PROVIDED AS IS, WITHOUT ANY SUPPLIER'S EXPLICIT OR IMPLIED GUARANTEES, INCLUDING COMMERCIAL GUARANTEES, AND GUARANTEED SUITABILITY FOR ANY SPECIFIC USES. UNDER NO CIRCUMSTANCES SHALL RENTAFONT BE LIABLE FOR ANY LOSS OR DAMAGES CAUSED BY USE OR INABILITY TO USE THIS CLIENT/SERVER APPLICATION, FONTS OR DIGITAL CURRENCY IN USER'S ACCOUNT OR BY PROVISION OR NON-PROVISION OF THE SUPPORT SERVICES RELATED TO USE OF THIS CLIENT/SERVER APPLICATION.

LICENSE AGREEMENT FOR USE OF ACCESS CODES TO RENTAFONT WEB FONTS UNDER 'BASIC' PRICING PLAN

ATTENTION: Before proceeding to install the software products (Access Codes), please read this License Agreement. The software product you purchase is protected by provisions of the intellectual property legislation , provisions of international treaties binding for end user country, and by provisions of this License Agreement, being strictly binding for its signatories who thus agreed to be bound by its conditions. Any breach of conditions of this License Agreement shall result in the consequences envisaged by the current international law and the law of End User's country. If you disagree with the terms and conditions of this Agreement, remove all copies of the Web code software products from all your computers and hosting sites. Rentafont Inc. has the exclusive rights to this software and documentation. Rentafont Inc. (hereinafter referred to as "Rentafont") holds the rights for distribution of this product and granting the End User License (License Agreement) on its own behalf.

LICENSE AGREEMENT
This document is a legal contract between you, the End User, on the one hand, and the Rentafont Company, on the other hand. By purchasing the Access Code to Web fonts and the metering application (script), you agree to abide by the terms and conditions of this agreement.

1. TERMS AND DEFINITIONS
1.1. "Rentafont" is a company, which provides Access Codes to the "Fonts" to the End User.
1.2. Your, the End User ("User") is a person purchasing the right to use the Access Code for using the "Fonts."
1.3 "Font Software" ("Font"). This term means a font in any format, digitally delivered, containing one set of characters of specific style, e.g., "Times New Roman Bold."
1.4."Access Codes" means software codes allowing to use the Fonts on Web-sites whose addresses are specified in the Rentafont user's account set up according to the Rentafont.com Web-site Usage Terms for a certain number of page views, as specified in such account. Upon User's request, the Access Codes can be supplied together with the Metering Application (Script).
1.5. "Credits" means digital currency found on Rentafont User's account. The cost of 1 Credit is specified on the Rentafont.com Web-site (from $0.024 to $0.04) and depends on the number of Credits bought at once. The User can buy Credits or receive them as a gift, e.g., for registration at the Rentafont.com Web-site or for subscribing to Rentafont newsletter. The Credits can be used to pay for Rentafont services. The Credits may not be sold or transferred to any person under any circumstances. User's Credits shall be valid for three years. Upon expiry of this period, all unused Credits will be cancelled.

2. RIGHTS AND RESPONSIBILITIES
2.1 Using the Access Code. The End User shall have the right to use this Access Code to Fonts and the Metering Application on the Web-sites you have registered as individual or legal entity, as well as on the sections you lease on public Web-sites or Web-sites of Internet service providers with the help of the mechanism @font-face only. It is prohibited to use the Access Code in interactive Web applications, which allow Website visitors to enter or edit texts using the Font, access to which is provided by this Access Code.
2.2 Access Code transfer to Eng User. Access Codes shall be transferred to the End User in exchange for Credits. Access Codes allow to show fonts on a certain Web-site a certain number of times. The amount of fees payable for different number of page views is set according to the price plan and terms of use, which can be found at https://rentafont.com/help#faq-category-2-subcategory-2
2.3. The number of Fonts. The simultaneous use of Fonts on websites of the End User is limited to 5 for new users. Purchasing Credits on the amount of $20 removes this restriction. All the possibilities of web fonts is described at https://rentafont.com/help#faq-category-1-subcategory-1
2.4 Transfer of Access Code to third persons. It is prohibited to use the Access Code to Fonts for designing Web-sites of other firms or individuals, even if the respective Fonts are physically located on End User's server. It is prohibited to use the Access Code for End User's Web-site sections leased to another company or individual. The End User shall have no right to either lease or transfer the Access Code to other users in any other way. The End User shall have no right to use the Access Code for creating a product, which violates the existing legislation of the United States, End User's country or the rights and lawful interests of third parties.

2.5. Modification. The End User shall have no right to modify the Access Code and the leased Fonts. The Rentafont Company reserves the right to block access to services or part of services for the End User to have breached the terms of the Agreement.
2.6. Information gathering and analysis. The End User understands and accepts that the Rentafont Company shall monitor its activities of using the Access Code and might collect and analyze the statistics of activities conducted when using the Access Code, and use such statistics according to Rentafont's Confidentiality Policy.

3. VALIDITY
This Agreement is not limited by either territory or validity period. Recognizing some part/paragraph of the Agreement invalid shall not lead to recognizing the Agreement invalid as a whole. Any breach of even one of Agreement clauses shall result in responsibility envisaged by the law of End User's country and by international law. In case of any breach of the terms and conditions hereof, you must destroy all the Font copies you have available, obtained with the help of this client/server application. 4. LIMITATION OF LIABILITY
THIS ACCESS CODE IS PROVIDED AS IS, WITHOUT ANY SUPPLIER'S EXPLICIT OR IMPLIED GUARANTEES, INCLUDING COMMERCIAL GUARANTEES, AND GUARANTEED SUITABILITY FOR ANY SPECIFIC USES. UNDER NO CIRCUMSTANCES SHALL RENTAFONT BE LIABLE FOR ANY LOSS OR DAMAGES CAUSED BY USE OR INABILITY TO USE THESE ACCESS CODES, FONT FILES OR DIGITAL CURRENCY IN USER'S ACCOUNT OR BY PROVISION OR NON-PROVISION OF SUPPORT SERVICES RELATED TO USE OF THE ACCESS CODES.
